Traumatología**

Date
March 16th-17th, 2012

Place
Hospital Universitari Sant Joan de Déu
Esplugues de Llobregat
Barcelona

Dear Dear friends :

Let me introduce you to a novel and dynamic event that will take place in Barcelona: the **Advanced Meeting for Ponseti Practitioners**. I'd like to invite to participate in this meeting all the professionals who are experienced in using Ponseti Method for clubfoot treatment on a regular basis.

Do you feel that you get most of your clubfeet nicely corrected, but you still have occasional doubts? Would you like to discuss your difficult cases? Do you want to show other professionals a new application for the Ponseti method? Do you think that there is still a place to improve your technique?... If so, then book your spot!... We will be pleased to welcome you for the first Advanced European Meeting for Ponseti Practitioners, in Barcelona!

By organizing this first Advanced Meeting, we aim to create a network to share knowledge, ideas and experiences... a tool for all of us and the seed of the European Chapter of the Ponseti International Association.

There is no fee to attend this Meeting. To become a participant, you just have to bring a case and present it... and share your ideas about it and receive input and opinions from the Faculty and other Participants. It can be your best case, your worst case, your most difficult case, your most challenging case... any case that you find interesting and that you want to share.

Now... think about it... get your case together and register until March 9th.

I will be waiting for you in Barcelona!

Anna Ey Batlle, MD
Pediatric Orthopaedic Surgeon
Hospital Sant Joan de Déu, Barcelona

March 16th de 2012
